Date: Saturday August 21st 2021
Time: 6:30pm til late
Venue: HBF Stadium – Main Arena
Dress Code: Cocktail

Who we are

DSWA are a non-profit charity association that has been operating in WA for over 30 years. Our vision is that people with Down syndrome live the life of their choice, and make their contribution to the community.

What we do

We provide support and advice to people with Down syndrome and their families. Our programs include:

- Our telephone support line – offering free advice to families, individuals, organisations and professionals.
- An ever-growing social media community with both public pages and private, moderated support groups where people from all across WA can share stories and advice.
- Developmental playgroups for young children with Down syndrome run by qualified education and occupational therapy professionals.
- Social clubs for high school aged children and adults – members build friendships and learn valuable life and social skills.
- Workshops for education professionals and families.
- Individualised employment support for people with Down syndrome – from training, to finding and keeping a meaningful, well payed job.

What is the Gala Dinner?

This is not a traditional fundraising ball - it's a bit different. No big, long speeches or auctions just a great night and an important opportunity for people with Down syndrome to have their voices heard. The event has two main goals:

- Provide a fun and affordable night for our members, and a platform for them to showcase their abilities and achievements.
- Spread awareness and raise our profile – we have invited representatives from many key government departments and organisations including the Minister for Disability Services Don Punch.

Guests are treated to a 3-course meal with entrée and dessert served canapé style, which allows people to socialise. After dessert is served the guests dance the night away to a live band.

With your sponsorship we can

- Reduce ticket prices for our members and volunteer staff
- Increase guest numbers and more industry representatives which provides great exposure for DSWA and our sponsors
- If we manage to raise enough to have a little bit left over, we'll invest it right back into our core support services (many of which are not fully supported by government funding).

What's in it for you?

To keep things simple we're offering a standard $5,000 sponsorship package.

$5,000 Gala Dinner Sponsorship Package:

- Your logo on all event material including social media posts, posters, flyers and emails.
- Placement of a pop up banner at event entry if provided.
- Your logo displayed on the projector screen throughout the night.
- Verbal acknowledgment by guest speakers and the MC.
- 2 Tickets to the event and the option to present on your services
- Distribution of advertising material or and/or product samples to the guests

If you would like to give a different amount, please get in contact and we can create a sponsorship package to suit you.

Down Syndrome WA passionately believes that people with Down Syndrome deserve to live meaningful and fulfilling lives and we would welcome the opportunity for you to partner with us to make this happen.
