FAMILY NIGHT OUT

About the Event

This year's Family Night Out featuring the Perth Symphony Orchestra and local artist JAX, will be playing all-time family favourites that are not just for the kids.

Opening with JAX creating the energy for the start of the show then Perth Symphony Orchestra performing their Family Favourites at 7pm with music for the whole family. This event has something for everyone and it supports the incredible research being carried out right here in WA thanks to the CLCRF.

This is a great community event with loads of opportunity for sponsorship and with your help we can make this event free for our treatment families and all kids. With so many activities for the kids to enjoy, such as a bouncy castle, cuddly animal farm, bubbles and face painters, this could be your chance to get behind a very worthwhile cause.

Sponsorships

Without the wonderful support of our partners, sponsors and supporters, the amazing work that the researchers at Children's Leukaemia and Cancer Research Laboratory do, would not be possible.

In creating our annual events, our aim is to help build awareness of CLCRF and the need for cancer research in our Australian community. With your help, we can indeed raise the funds to help fund a cure and keep our children healthy.

We hope that you will consider sponsoring us and be a part of a positive initiative that will potentially have a long and lasting impact on so many young lives.

Should you have any questions or queries, or should you wish to arrange a tailor made sponsorship package, please do not hesitate to contact us.
